

### 《我愛閱讀》閱讀課程

《我愛閱讀》（初級班）是針對三歲或以上小朋友而設的閱讀課程，透過學習詞彙、片語及句子，繼而進入獨立閱讀書本，讓小孩開始建構閱讀的能力。每堂通過一個全新有趣的小故事，結合課後的練習冊，培養小朋友的閱讀興趣。加上細緻的插圖、幽默有趣的故事情節和重複的句式，有助訓練小朋友的觀察力、聯想力和猜測能力等閱讀技巧，達到識字後能自己閱讀的效果，並且促進聽說讀寫的語言能力，尤其是能善用普通話進行溝通。

《我愛閱讀》分為 14 級。每級分別有 12-14 本小書，每堂完成一本小書，並有相應的練習本，讓小朋友將字詞放在不同的語境中，反覆溫習、鞏固字詞，累積語文知識，為進一步的閱讀奠定良好的基礎。

### I Love Reading Programme

“I Love Reading” is a reading programme for children aged 3 or above. Through learning vocabulary, phrases, and sentences we help children build their reading skills and enable them to eventually read books independently.

We instill a love of reading in the child by using interesting stories with detailed illustrations, humorous storylines and repeated sentences that help to build the child's observation, imagination and speculative reading skills. As the course progresses, children will acquire a vast range of vocabulary, improve their reading ability, and enhance their overall communication in Putonghua.

“I Love Reading” is divided into 14 levels, with each level consisting of 12-14 story books. One story and the corresponding exercise is completed each lesson to let children apply the vocabulary learnt in different contexts. Through repeated revision to consolidate words and accumulate knowledge, children can build a good foundation in reading.

**Trial Fee:** \$378 (Weekday) / \$398 (Saturday)
